

SCENE 1. INT. PLUMBING SUPPLIES STORE
- DAY

F/X: A PHONE RINGS

JEZ: Hello, Fantasia Plumbing. Jez Conway speaking.

PUNTER: Is that the "specialist" shop.

JEZ: Specialist plumbing. That's right.

PUNTER: You do mail order?

JEZ: Yup. Next day delivery or you can come round the warehouse.

PUNTER: Good. I'm looking for butt plugs.

JEZ: Butt plugs?

PUNTER: That's right.

JEZ: I'm not finding that in my system. You got a product code?

PUNTER: Sorry. You sure they're not there?

JEZ: I'm looking under "B"s and there's nothing.

PUNTER: Never mind. I also want some lubricating jelly.

JEZ: You want the petroleum jelly or the silicone grease? You using it on O-rings you'll be better off with the jelly.

PUNTER: Definitely the jelly then.

JEZ: I got a two for one deal on the 500 ml tubs.

PUNTER: Good. I'm going to be needing a lot of it.

JEZ: Big job on?

PUNTER: Oh yes.

JEZ: Anything else we do you for?

PUNTER: Got any cock rings?

JEZ: That's a new one on me. I got a blow bag if that's any good for you.

PUNTER: What's that do?

JEZ: Used as a drain opening device. The rubber bladder is pushed down into the drainpipe. As it fills with water the bladder expands, eventually forcing pulsating water through the pipe, ultimately clearing the clog. Also known as a blowfish.

SHARP INTAKE OF BREATH FROM PUNTER

PUNTER: Ahhh... Don't stop.

JEZ: Beg pardon?

PUNTER: What else you got?

JEZ: I got a reamer. That'll prepare the male pipe to slot into the female. I can do you a big old sweating pipe or a run of nipples in various sizes.

MORE ORGIASTIC NOISES FROM PUNTER.

JEZ: Or, I can do you a deal on a self-centering screw hole locator. That's a bit or jig used on a drill that automatically finds the dead-center of an opening that needs to be drilled.

PUNTER: Oh yes, OH YES!!

JEZ:: Are you doing what I think you're doing?

PUNTER: Is that a problem?

JEZ SLAMS THE PHONE DOWN.

JEZ: Dirty bastard.

JEZ'S BOSS ENTERS.

BOSS: What's up, Jez?

JEZ: Pervy phone calls. That's the fifth one today.

BOSS: Don't it knock, lad. That line charges £1.50 a minute. We're raking it in. There's bugger all money in plumbing

supplies.

THE END.
